RE: License Application for The Lift Garage, doing business as The Lift, ID # 20220002172, Located at 1669 University Ave W / **Auto Repair Garage**

Dear Applicant:

Our review of your application for a license is in process. Notification has been sent to owners and occupants of nearby properties, community organizations and other interested parties giving them until **Friday, February 24, 2023** to submit comment on your application. If no objections are received your license could be issued approximately one week later provided all requirements have been met.

If objections are received a legislative hearing will be scheduled. You will receive notice of the time, place and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to approve or deny your license application.

Requirements including the following must be met prior to license issuance:

- Obtain all necessary building and/or trade permits for construction work associated with the establishment of the use, and all required inspection approval(s) related to these permit(s). Only licensed trade contractors authorized to perform work in that trade (e.g., plumbing, electrical, ventilation, etc.) may obtain permit(s) and/or perform work in such trade. You may contact DSI Plan Examiner Division at 651-266-9007 with questions about the permitting process. A Building Permit is required even if no construction is needed due to DSI Fire Inspector Mitch Imbertson stating this space has not previously been certified for this type of use.
- Obtain final DSI Zoning Division approval of a parking/stripping plan by contacting DSI Zoning Inspector Farhan Omar at 651-266-9089

If you have any questions, please contact DSI Inspector Ross Haddow at 651-266-9143 or Jeff Fischbach at 651-266-9106.

Sincerely,

Jeff Fischbach
DSI Licensing Division
