

Hi all,

MN State Rep. Mindy Greiling (54A-Roseville, Lauderdale, St. Anthony) called to say she goes to church at Hamline United Methodist. She is calling on behalf of the church as well as the nearby funeral home Henry-Holcom-Boom-Purcell. Both the church and funeral home are concerned about the proposed bike path - they're not opposed to the bike path, but it's direction - -afraid it will cause people to be unable to turn and many other local businesses fear the loss of business (on top of CCLRT) activity. She wanted to get this comment in on record before tomorrow's deliberations.
