Attorney Erick Flyckt appeared.

Ms. Moermond: your contractor says, "We can get this done in 45 days" & the Work Plan shows that you can get it done in 45 days

-based on that, I'm going to recommend that the City Council continue the matter to Oct 24, 2018 at which time I would hopefully ask the Council to Make a Finding that the nuisance has been abated; the matter resolved

Steve Magner, Code Enforcement Manager: at that time, you'll need to have your sign-off by Oct 23 or earlier because our office needs to have confirmation; the trades permits need to get signed-off; then, Jim Seeger can make the final walk-thru

Ms. Moermond: your contractor put together a solid plan

Mr. Flyckt: I got an update yesterday afternoon that they are making progress; it's almost ready for the final electrical & HVAC

Ms. Moermond: we're in good shape

Public hearing continued to October 24 to determine if code compliance certificate is issued.
