Hi Mai,

Can you attach this email to the record? Also, it looks like the file, RLH TA 15-167 was laid over 2 weeks from 3/3, which won't be a hearing day, so it should be 3 weeks.

I will likely be going with the measurements staff provided, but Dennis Peabody may want to add to the record before I make a final determination. Please let him know. Thank you.

Marcia

Hi Marcia, talked with zoning and they agree the day Inspector Hoffman sent ex on red trailer parked up near the house was not parked in the legal parking area. From alley it is 36 feet and he way past it, about fifty feet, so I think ec should stick but it is your call.
