Re: Appeal for property at 540 Cedar Street

Dear Mr. Peterman:

This is to confirm that on June 18, 2013 at the Property Code Hearing, Marcia Moermond, Legislative Hearing Officer recommended that the City Council decrease the time delay of the panic hardware from 15 seconds to 5 seconds in the south cafeteria area and change signage appropriately. For the other door(s), you must decrease from 15 to 10 seconds but keep the delay. The signage will need to be changed appropriately as well. Please note that for the 10 second delay, it is for the duration of this use of that space.

If you wish to contest further, the City Council Public Hearing is scheduled for Wednesday, July 10, 2013 at 5:30 p.m. in Room 300 Council Chambers, Third Floor.

Any questions, you may contact our office at 651-266-8585.

Sincerely,

/s/

Mai Vang
