Dear Councilmember Stark,

We are reaching out to you to confirm our support of the proposed Central Corridor West Midway Sidewalk Infill plan.

As business owners, and business supporters, in the neighborhood we wholly endorse this effort. We're truly grateful for it. Helping ease the way for pedestrian traffic from light rail is a priority for us. Our goal as business owners in the CEZ is to entice much of our customers to travel to our business and others in the area via mass transit, bike and foot.

The sidewalk infill plan would be a great help in that respect.

Thank you for your efforts on this front!

Next up, bike lanes. ; )

Sincerely,

Sandy + Jay
