Think Before You Click: This email originated outside our organization.

Could we please get an update regarding the "order for removal of the Tiny House on 447 Brimhall Street St. Paul 55105"?? They are arrogant enough to be giving tours of the Tiny Home now. Perhaps they should be paying taxes on their Tiny Home valued at \$80,000? How about their own trash? Electricity? Sewer line? Enough is enough, this is ridiculous and we'd like some answers please.

Thank you,

Maureen and Irritated Neighbors
