Subject: FW: 977 Front Ave.

Importance: High

Hi Marcia,

Just an FYI related to the right of way assessment hearings, 977 Front was to have a street tree planted as part of the Como-Chatsworth Phase I street construction project and the property owner declined the tree citing ongoing litigation.

Best,

-Zach

Importance: High

Does not want to have a tree planted on the boulevard, said that he is currently in litigation with the City over business entrance issues.
