Subject: Re: johnny babys'

Frogtown hosted the Johnny Baby's conversation at our February Forum this past tuesday and the folks present unanimously supported the request by Mr. Price to extend the liquor service an additional hour from 1 to 2 am. it was interestingly enough the only Forum in my six years at FNA that was 100% African American residents is attendance. That in itself is worth noting. It is clear that the extra hour is good for Mr. Price's business. He has an excellent reputation in the neighborhood and has worked with particularly, the Chatsworth Neighbors Group, to ensure safety measures are in place at the bar.

FNA is in the middle of several big projects right now and it would be helpful if you could just cut and paste the above directly into your staff report. Can you do that?
