Subject: Billy's On Grand request for noise variance on June 5th, 2022
Date: Thursday, May 19, 2022 1:44:25 PM

I absolutely feel strongly about any granting of a noise variance for Billys. Please do not give them permission to do this. This is not the neighborhood for that kind of noise. It seems that Billy's has become a problem on many levels.

Again, do not give this request the go ahead!

Thank you.
