**Subject:** Fwd: 1043 Wakefield survey. Callan Crawford

Attached is a survey depicting the location of the survey stake I showed you pictures of at the hearing. Additionally, the survey shows the location of a chain link fence located on the property of 1039 Wakefield Ave. The chain link fence and retaining wall in question are located on the 1039 side of the property line. I'm also sending a few pictures as requested.

Callan Crawford.
