City Council of St Paul city-

We reside at 59 w 4th Street
down town St Paul and would
be apposed to the variance for
sound levels to be raised. It
is very disturbing AND unnecessary-
It actually is harmful to one's
hearing- Please consider we
residence who pay high taxes
to live where we live when
considering your vote - I
would appreciate a written response
to my letter with the record of
the votes for + against.
