Hello Dave.

Considering the terrible effect Stryker Market has had upon our neighborhood, I am in total opposition to a reinstatement of a tobacco license for the store. Considering the attraction the store has been for many coming from outside the neighborhood, the parking lot drug deals, the many folks continued loitering, the fear of any neighbors to utilize the store, I plead with you to do everything in your power to keep the doors shut. Our little neighborhood is in a world of hurt. Neighbors who are homeowners are talking about moving because of their fear of violence, gangs and criminals. The market was last summer the King-pin of these destructive characters. Please do what you can to keep the store closed.

Thanks for your support. Craig David
