As owner and resident of 472 Dayton Avenue I am opposed to the proposed license. I live directly behind 477 Selby.

The business as run is very disruptive and intrusive. I have been woken up as early as 5:00am with loud music and shouting. During classes throughout the day it is the same music and shouting. At times last summer I was unable to enjoy being outside, or even working in my kitchen without being disturbed by the noise.

Thank you in advance for your understanding,

Sincerely,

Michelle Hotzler
