Hello,

Due to the disbandment of our Mounted Patrol Unit we turned back over the St. Paul Mounted Police Foundation a horse named Copper. Copper had been purchased by the Foundation, a 501c3 non-profit. Copper was professionally fitted with existing unit tack and saddle. The tack and saddle are of no more use to the department and will need to be disposed of. It is my recommendation the tack and saddle be turned over to the St. Paul Police Mounted Foundation.

1. Black Bates Saddle, used value approximately \$800, head stall/halter, bit and reins approximately \$100 total.

SUBJECT: This Old Horse equipment donation
DATE: October 9, 2019

Hello,

Due to the disbandment of our Mounted Patrol Unit under City Council Resolution we donated two retired horses to This Old Horse, a 501c3 non-profit horse sanctuary and retirement home. Both horses had been professionally fitted with existing unit tack and saddles. The tack and saddle are of no more use to the department and will need to be disposed of. It is my recommendation the tack and saddles be turned over to This Old Horse. This will take the burden off the non-profit with purchasing new equipment when our existing, fitted equipment will need to be disposed of.

1. Black Campbell Saddle (Javier), used value approximately \$200, head stall/halter, bit and reins approximately \$100 total.
2. Black Campbell Saddle (Cowboy), used value approximately \$200, head stall/halter, bit and reins approximately \$100 total.
