Mai,

Please do not allow a demolition order to issue on 870 Fuller tomorrow. Give the current owner time. Whether or not the current owner succeeds, the house can be rehabilitated. Please allow it to be.

We have substantial consensus already, especially in Ward I, that the city needs to stop its demolitions. We are gathering more consensus through education of our residents, and we are coordinating our efforts. The district councils for Dayton's Bluff, Frogtown and Summit-University are aligned, as well as the Ramsey Hill Association, Historic Saint Paul, Save Our Saint Paul Neighborhoods, Saint Paul Strong and the Frogtown-Rondo Home Loan Fund.

I cannot come to the 9:00 a.m. hearing tomorrow, because I have to meet an electrical inspector for a different building on Selby.
