Think Before You Click: This email originated outside our organization.

Hi ladies I just wanted to let you know that the renter Maiker Vue that resides at 982 Wood bridge has moved out of the property she is staying at Mary Place shelter in Minneapolis she has been there since Monday. she is able to stay there for 30 days she is safe she has a storage unit and has put her things in storage she completely understands that she is not allowed to move back into 982 she is now a part of Hennepin County. they will get her assigned services in Hennepin so at this time I am not going to make the child protection report because she is safe and she is out of home.

If you have any other questions just let me know thank you

Ericka
