Subject: Contesting Assessment for 905 Maryland Avenue

Property Address: 905 Maryland Ave East
Assessment # 238609

I am contesting the assessment for my property at 905 Maryland Ave East. We received two letters. We called the first inspector and told him the assessment was incorrect as that is not our parking lot even though it is behind our building. That sofa is not on our property. It's the neighbor's property (911 Maryland). The inspector said it was his mistake and they will send a letter to the owner.

The second letter that we received was from an Inspector Thao. We didn't know what clean up was needed as our property is fenced in. There was nothing to clean up, no long grass, no graffiti, no garbage. We called him over 10 times left 4-5 messages for him and he never responded. We have phone records to prove that we called him at least 10 times. We weren't sure what he wanted us to clean up. IF your inspectors don't call us or respond to us, you CAN NOT just charge me for anything you want. My property was clean. I don't know was wrong with it. They didn't send me any pictures of what was cleaned up.

I am contesting 100% and will show that I called your inspector at least 10 times and left 4-5 messages for him. Your inspector FAILED to call us to tell us what he wanted cleaned up.
