Re: Appeal to a Certificate of Occupancy Deficiency List for property at 967 Burns Avenue.

Dear Mr. Fahey:

This is to confirm that on September 28, 2010 at the Property Code Hearing, Marcia Moermond, the Legislative Hearing Officer recommended granting an 8-inch variance on the openable height of the egress window in bedroom one and granting a 2-inch variance on the openable height of the egress window in bedroom two. She recommended denying the appeal on the order to paint interior walls and ceilings.

If you have any further questions, you may contact me at 651-266-8563.

Sincerely,

Mai Vang
