COUNCIL  
WARD 7

Dear Council Member Kathy Lantry,

My name is Damone Presley and I am writing this letter of support for the youth of Aurora St. Anthony Neighborhood Development Corporation as they once again have taken the initiative to be pro active in their health! I respect and support their stance on little cigars, cigarillos, and other products that are now being marketed to our children. These youth are making it known that this practice is unacceptable and needs to stop. Their proactive actions shows what can be done by a few dedicated people. Please support the youth in this effort ! The youth see this as a threat to their health and for their peers, so do I.

Thank You for your time .

Damone Presley
