Subject: 2135 Case Ave - Lissick

Good morning Mai,

I stop by the property this morning. Mr. Lissick was in the yard cleaning. Some scrap wood structures were leaning against the fence, tree debris was piled in the yard, not stacked off the ground. Piles of lumber were stacked at the rear of the yard, and there were totes and miscellaneous debris against the rear of the house. All vehicles were parked on an approved surface. See attached photos.

Mr. Lissick said that he would have the remaining items removed today.

Please let me know if there's anything else that you need.

Thanks,
Dick
