Dear Mr. LaMott & Mr. Orchard:

This is to confirm that on April 26, 2011 at the Legislative Hearing, Marcia Moermond, Legislative Hearing Officer stated that the following conditions must be met in order for her to recommend that the City Council grant you time for the rehabilitation or demolition of the buildings:

1. the \$5,000 performance deposit must be posted with the Department of Safety and Inspections by May 18, 2011;
2. financial information must be provided (a line of credit, sworn construction loan or a bank statement) dedicating the funds available to do the project and/or demolition of the two structures;
3. a work plan, including timelines for the rehabilitation of the rear building and demolition of the two structures (deadline for submission is May 11, 2011);
4. submit contractor bids for demolition and rehabilitation (deadline for submission is May 18, 2011);
5. obtain a team inspection by May 18, 2011; and
6. maintain the property.

Please note that the vacant building fees will be due next month and will need to be paid.

The City Council Public Hearing is scheduled for Wednesday, May 18, 2011 at 5:30 p.m. in Room 300 Council Chambers, at which time, if the aforementioned conditions are met, she will recommend that the Council laid the matter.
