Subject: Billy sound grand request for 2 AM closing.
Date: Thursday, September 16, 2021 8:21:06 PM

I am a resident at 51 Avon Street South, Saint Paul Minnesota

I am absolutely opposed to a 2 AM closing for Billy's restaurant and bar. This is a mixed use neighborhood with residential and business coexisting. That coexistence needs to be respectful on both parts. The businesses need to be able to conduct a profitable business and the residents need to live in peace and harmony. A Midnight closing for an establishment like Billy's is more than adequate for orderly and appropriate entertainment in a mixed use neighborhood. We do not need late closing times with the associated noise and disturbance.
