Re: Additional Funding for Trout Brook Nature Sanctuary Lift Station Project

Dear Mike:

Capitol Region Watershed District (CRWD) has authorized an additional \$30,000 for the City of Saint Paul for engineering services for the Trout Brook Nature Sanctuary Lift Station Project. This brings CRWD's commitment of additional funding to \$130,000 and total project funding to \$530,000.

Thank you for your team's work on this project and we look forward to its successful completion this spring. If have any questions please call me at 651-644-8888.

Sincerely,
