L Remarks: The fire department responded to a fire in a detached two car garage. District Chief 1, on arrival, observed smoke coming from the eaves of the garage. Engine 22, on arrival, deployed a 1 3/4 inch pre-connected hose line through the service door of the garage and reported a quick knock down of the fire. Ladder 18 ventilated the structure removing the overhead door and secured the utilities. Engine 14 supplied Engine 22 with water. This garage was packed full of household goods and furniture. Ladder 18, Engine 14, and Engine 22 overhauled and washed down the structure with foam to prevent rekindle. Fire Investigator Blank was the fire investigator on this incident. The resident was given an "After the Fire Brochure". District Chief 1 also submitted a Form #4 to D.S.I. Board-up company secured the structure.
