Cologne, MN 55322

Gopher Ground Works Plus has been hired to resolve broken sewer and water lines going into the building at 275 McKnight Road S. St. Paul MN 55119

Gopher Ground Works Plus has been working with St. Paul Reginal Water and the City of St. Paul Sewer Department to put together a plan to resolve the broken sewer and water lines at 275 McKnight Road S. We have gathered the pertinent information needed from the City.

GPRS and Zahls Petroleum are working on the power and underground gas pipes to get the location for the dig and once they let us know we will have all that is needed to pull all permits to resolve the broken sewer and water lines.

Once we have the permits work will be started on or before September 16th 2019. We have been working diligently to resolve the broken sewer and water lines at 275 McKnight Road S. St. Paul, MN 55119.

Regards

Craig Worm
