Subject: CVS on corner of Snelling and University

You don't often get email from pelsterwiebe@gmail.com. [Learn why this is important](#)

Please add my voice to those who are calling for the demolition of the CVS on the corner of Snelling and University! I live in the Hamline-Midway and teach at Hamline University, and that eyesore breaks my heart everytime I see it.

It's time to listen to the people who live here and do something positive for the neighborhood we love.
Tear that sucker down so we can build a future to love!

With sincerity and dreams for good things,
Angela Pelster-Wiebe
