Subject: Metro Lofts Snap Fitness License Application

I am a resident of the Metro Lofts and live directly above the Snap Fitness. We have had ongoing noise problems from this business related to people dropping weights in the area directly below our home. This happens primarily during hours that staff are not there, generally later at night, after 8pm. We would like to have something included in the license that states that the business will take every measure necessary to control this issue and respond quickly to complaints.
