

East Grand Avenue Overlay District Zoning Study

City Council
June 26, 2024

SAINT PAUL
MINNESOTA

STPAUL.GOV

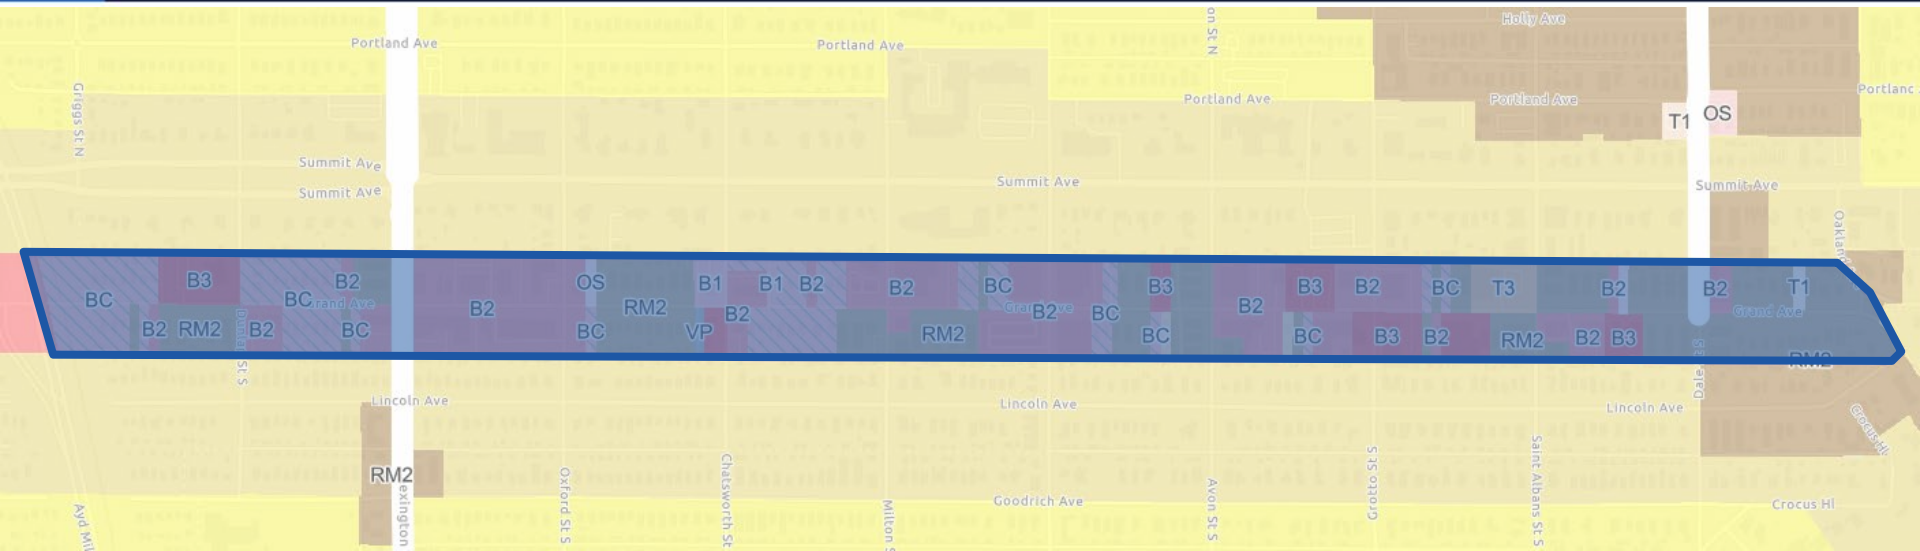

Existing Context

East Grand Avenue Overlay District (EGAOD)

Existing EGAOD:

- Limits building footprint to **25,000 sq. ft.**
- Limits total building size to **75,000 sq. ft.**
- Limits building height to **3 stories.**

EGAOD and the Comprehensive Plan

- **Land Use Policies:**

- Encourage transit-supportive density and zoning flexibility.
- Promote high-quality urban design that supports pedestrian friendliness.
- Activate streetscapes with active first-floor uses.
- Ensure that building massing, height, scale and design transition to adjoining districts.

- **Housing Policies:**

- Encourage creativity in building design and site layout.
- Support new housing to meet market demand for living in walkable, transit-accessible, urban neighborhoods.

Proposed Text Amendments

Replace development constraints with context-sensitive, pedestrian-oriented building design and frontage standards

Stepbacks

after 40' to reduce building presence from the sidewalk

Established Building Line

that respond to the context on the block

Frontage Elements

(storefronts and patios) that support a lively street
