About your bill...

Billing cycle. You will be billed every quarter (three months). Quarterly statements are sent on the 20th of the month preceding your three-month service cycle. Payment is due the 10th of the following month. Interest will be charged on amounts that have not been paid during the billing cycle.

Payment methods. You may pay your bill by check or go to aspenwaste.com to pay with your credit card (Visa, MasterCard, American Express, Discover) or by electronic bank withdrawal. Returned check charge \$30.

Electronic check conversion. If you pay by sending a check, you are authorizing Aspen Waste Systems to use information on your check to make a one-time electronic debit to your account at the financial institution indicated on your check. This electronic debit will be for the amount of your check and may occur as soon as the same day we receive your check. If you have questions regarding this check conversion process only, please call (515) 974-1402. For other unrelated issues, please contact the phone number listed on the front of your invoice.

Automatic payment. You may call us or go to aspenwaste.com to set up recurring automatic payments from your Visa, MasterCard, American Express or Discover card. A quarterly statement is mailed showing the amount to be charged or withdrawn. Transactions are made on the 10th of the month following the statement date. A \$15 charge will be assessed for a declined card.

Charges for extra service. Charges for optional services you request – by-the-bag yard waste, extra trash, or large items – will appear on your quarterly bill or if you are in the middle of your billing cycle, on a special invoice. Any charges of less than \$7 will be carried over to your next quarterly statement as a previous balance.

Please call 612-884-8008 to obtain pricing for optional services. Call by noon the day before your regular service day to schedule services (Monday service day, call by noon the previous Friday).

New customer billing. *Start service at the beginning of a month:* You'll receive a statement for a 3-month

billing cycle beginning with the month you start service. *Start service after the beginning of a month:* You'll receive a statement for the next 3-month billing cycle plus a prorated amount for your initial month of service.

Ending Service. Please call two weeks prior to your last scheduled pickup to cancel your Aspen collection service or to request a final pickup. If moving, Aspen needs your forwarding address and telephone number. Aspen does not refund partial month charges.
