Hi Joanna,

This is Lorie Miller. I spoke with your assistant last week and received the information regarding my property at the above address. I have been working to satisfy the items in the letter. Attached is a copy of the Hudson Tax payment and available funds for the renovation. I have been to the city and filled out the application. I have also deposited the \$5,000. I will be attaching the remaining items to another email shortly. I did want to reach out and request access to the city council meeting today. My phone number, temporarily is 612-900-9873.

Thank you,

Lorie Miller
