Hi,

I received a Public Hearing Notice, Ratification of Assessment for the above File & Assessment numbers.

I am contacting by email to contest the assessment and would like to be put on the schedule for the legislative hearing for August 3rd 2021 at 9am.

Let me know what I need prior, to prepare for this hearing since the notice mentions it being conducted via teleconference.

The notice also mentioned the public hearing on September 15th 2021 at 330pm. Please advise if I need to also attend this public hearing since I am contesting the assessment at the legislative hearing.

Thanks,
Ashima.
