Re: Appeal for property at 1666 Jessamine Avenue East
File ID #: ALH 11-137

Dear Mr. & Mrs. Suchomel:

This is to confirm that on January 25, 2011 at the Property Code Hearing, Marcia Moermond, Legislative Hearing Officer recommended granting a 3-inch variance on the openable height of the egress windows in the first and second bedrooms and granting a 7-inch variance on the openable height of the egress windows in the attic bedroom. As to the sparking spaces issue, she also recommended granting the appeal but asked that you put more Class 5 on the driveway when the weather permits.

If you have any further questions, you may contact me at 651-266-8563.

Sincerely,

Mai Vang
Legislative Hearing Coordinator
