CITY CLERK

To whom it may concern,

I am John Vojtech Owner of Afterhours Mobile Service Inc., DBA Twin City Fleet Repair and I have a council hearing scheduled July 6, 2016 regarding my business license suspension. I am unavailable that date due to a prescheduled out of town family situation concerning my ailing grandmothers move into a nursing home. I take this hearing very serious as I am committed to my business and employees. Unfortunately, I cannot reschedule my prior commitment. I am requesting that this matter be moved to the NEXT available public hearing meeting. If you have any questions please call me at 651-338-9627.

Thanks for your time,

John Vojtech
