Subject: license for Tav On The Ave

To whom it May Concern:

I highly object to all application for liquor on sale for the Tav On The Ave, 825 Jefferson Ave. I live very close to that bar and it is nothing but trouble. I would say within a 3 block area most people would rather it close down all together than have it stay open until 2:00 a.m. Most people work and don't like being woke up at 1:00 - 2:00 in the morning from drunks. These is always problems going on at that bar and most of it isn't reported. I know of a lot of young people that go there, so I know a lot of what happens when other people don't. There have been 2 shootings there in the last 2 years. Just last night (March 7th) at 10:15 when I was arriving home from work the police where driving the parking lot and looking for someone or something. The place is nothing but trouble, I think you should take their license away from them, not let them stay open later. Big Mistake!!

Sincerely,

Robin Reich
