RE: Short-Term Rental (Non-Owner Occupied) license held by Dien Real Estate LLC d/b/a Homi for the premises located at 1659 Edmund Ave. in Saint Paul.
License ID #: 20220001701

Dear Licensee:

The Department of Safety and Inspections ("Department") has recommended adverse action against the Short-Term Rental (Non-Owner Occupied) license held by Dien Real Estate LLC ("Licensee") herein for the premises known as Homi located at 1659 Edmund Ave. (Licensed Premises").

Legal Basis for Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code Section 310.04(b) states:

(b) "Basis for action. Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters."

Saint Paul Legislative Code Section 310.04(14) states:

(14) "The licensee has failed to pay license fees within sixty (60) days of the fees are due. Licensee must pay any outstanding fees and delinquent fees in total. Failure to do so within sixty (60) days of the due date may result in revocation of the license. A revocation for this reason, however, is not considered a revocation resulting from misconduct or unfitness of the licensee, evidence of violation of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. Therefore, the requirement of section 310.02 prohibiting re-application within one (1) year of revocation shall not apply to revocations under this paragraph."

Saint Paul Legislative Code Section 379.03(a) states:

(a) "The annual fees for the issuance of a short-term rental platform license and short-term rental host license shall be established by ordinance as provided in chapter 310.09 of the Legislative Code."

Saint Paul Legislative Code Section 379.03(b) states:

(b) "A short-term rental platform license and short-term rental host license shall expire one (1) year from the date the license is issued and must be renewed annually."

Adverse Action Recommendation:

The Department of Safety and Inspections will recommend a revocation of license for violating Saint Paul Legislative Code § 310.01, 310.04(b), 310.04(14), 379.03(a) and 379.03(b).

Factual Basis for revocation of license:

On January 29, 2025, Licensing Manager, Eric Hudak mailed you a letter to inform you that your license had expired and is now delinquent. You were requested to complete the renewal of your license by February 19, 2025; in failing to do so your delinquent/expired license would be submitted to the City Attorney's Office for adverse action. To complete the renewal process, you were advised to submit the renewal fee and all supporting documentation to the Department of Safety and Inspections. A copy of the renewal invoice was enclosed with this letter, for your reference. Your license expired on September 24, 2024. You also failed to pay your license renewal fee within sixty (60) days of the expiration date of your license.

You have four (3) options to proceed:

1. You may do nothing. If I have not heard from you by **March 24,2025**, I will presume that you have chosen not to contest the revocation of your Short-Term Rental (Non-Owner Occupied) license and the matter will be placed on the City Council Consent agenda for imposition of the proposed adverse action.
2. If you wish to admit the facts but you contest the revocation of your Short-Term Rental (Non-Owner Occupied) license, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **March 24,2025**. The matter will then be scheduled before the City Council to determine whether to revoke your license. You will have an opportunity to appear before the Council and make a statement on your own behalf.
3. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **March 24,2025**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

If you have not contacted me by March 24,2025, I will assume that you do not contest the revocation of your Short-Term Rental (Non-Owner Occupied) license. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my paralegal Riddhi Mistry at riddhi.mistry@ci.stpaul.mn.us , (651) 266-8835.

Sincerely,

Sly Onyia

Ordinance Violations

Sec. 379.03 - License fee and license term.

(a) The annual fees for the issuance of a short-term rental platform license and short-term rental host license shall be established by ordinance as provided in chapter [310.09](#) of the Legislative Code.

(b) A short-term rental platform license and short-term rental host license shall expire one (1) year from the date the license is issued and must be renewed annually.

Sec. 310.01. Definitions.

Adverse action means the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license.

Sec. 310.04. Revocation; suspension; adverse actions; imposition of conditions.

(b) *Basis for action.* Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters:

(14) The licensee has failed to pay license fees within sixty (60) days of the date the fees are due. Licensee must pay any outstanding fees and delinquent fees in total. Failure to do so within sixty (60) days of the due date may result in revocation of the license. A revocation for this reason, however, is not considered a revocation resulting from misconduct or unfitness of the licensee, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. Therefore, the requirement of section 310.02 prohibiting re-application within one (1) year of revocation shall not apply to revocations under this paragraph.

Sec. 310.01. - Definitions.

Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license.

Bond means a bond meeting the requirements of section 310.05 and indemnifying the city against all claims, judgments or suits caused by, resulting from or in connection with any licensed business, activity, premises, thing, facility, occurrence or otherwise under these chapters.

Class R licenses means those licenses and certain permits which can be issued by the director without council approval if no conditions are imposed upon the license and which do not require a hearing if there is an objection. Class R Licenses follow the Procedures for Application for the Grant or Issuance of a License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections, and Renewal Procedures laid out in Section 310.02(1). (Ord 22-46, § 2, 11-9-22; Ord 23-32, § 2, 9-6-23)

Sec. 310.04. - Revocation; suspension; adverse actions; imposition of conditions.

- (a) *Council may take adverse action.* The council is authorized to take adverse action, as defined in section 310.01 above, against any or all licenses or permits, licensee or applicant for a license, as provided in and by these chapters. Adverse actions against entertainment licenses issued under chapter 411 of the Legislative Code may be initiated for the reasons set forth in subsection (b) below, or upon any lawful grounds which are communicated to the license holder in writing prior to the hearing before the council. Such actions must be initiated and carried out in accordance with the procedures outlined in section 310.03; provided, however, that the formal notice of hearing must be used to initiate the adverse action.
- (b) *Basis for action.* Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters:
- (1) The license or permit was procured by misrepresentation of material facts, fraud, deceit or bad faith.
 - (2) The applicant or one acting in his or her behalf made oral or written misstatements or misrepresentations of material facts in or accompanying the application.
 - (3) The license was issued in violation of any of the provisions of the zoning code, or the premises which are licensed or which are to be licensed do not comply with applicable health, housing, fire, zoning and building codes and regulations.
 - (4) The license or permit was issued in violation of law, without authority, or under a material mistake of fact.
 - (5) The licensee or applicant has failed to comply with any condition set forth in the license, or set forth in the resolution granting or renewing the license.
 - (6) a. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has violated, or performed any act which is a violation of, any of the provisions of these chapters or of any statute, ordinance or regulation reasonably related to the licensed activity, regardless of whether criminal charges have or have not been brought in connection therewith;
 - b. The licensee or applicant has been convicted of a crime that may disqualify said applicant from holding the license in question under the standards and procedures in Minn. Stat.s chapter 364; or
 - c. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has engaged in or permitted a pattern or practice of conduct of failure to comply with laws reasonably related to the licensed activity or from which an inference of lack of fitness or good character may be drawn.
- (7)

The activities of the licensee in the licensed activity created or have created a serious danger to the public health, safety or welfare, or the licensee performs or has performed his or her work or activity in an unsafe manner.

- (8) The licensed business, or the way in which such business is operated, maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public.
- (9) Failure to keep sidewalks or pedestrian ways reasonably free of snow and ice as required under chapter 114 of the Saint Paul Legislative Code.
- (10) The licensee or applicant has shown by past misconduct or unfair acts or dealings: physical abuse, assaults or violent actions done to others, including, but not limited to, actions meeting the definition of criminal sexual conduct pursuant to Minn Stats. §§ 609.342 through 609.3451; sexual abuse, physical abuse or maltreatment of a child as defined in Minn. Stats. § 626.556, subdivisions 2 and 10e, including, but not limited to, acts which constitute a violation of Minn. Stats. §§ 609.02, subdivision 10; 609.321 through 609.3451; or 617.246; neglect or endangerment of a child as defined in Minn. Stats. § 626.557, subdivision 2; the manufacture, distribution, sale, gift, delivery, transportation, exchange or barter of a controlled substance as defined in Minn. Stats. chapter 152; the possession of a controlled substance as defined in Minn. Stats. chapter 152 in such quantities or under circumstances giving rise to a reasonable inference that the possession was for the purpose of sale or distribution to others; or by the abuse of alcohol or other drugs, that such licensee or applicant is not a person of the good moral character or fitness required to engage in a licensed activity, business or profession.
- (11) The licensee or applicant has materially changed or permitted a material change in the design, construction or configuration of the licensed premises without the prior approval of the city council in the case of Class N licenses, the director in the case of Class T licenses, and the director in the case of Class R licenses, or without first having obtained the proper building permits from the city.
- (12) The licensee or applicant has violated section 294.01 of the Legislative Code, or has made or attempted to make a prohibited ex parte contact with a council member as provided in section 310.03 (c-2) of the Legislative Code.
- (13) The licensee violated the law or any license condition and that violation is related to a death or great bodily harm, as defined in Minn. Stats. § 609.02, subd. 8, in or near the establishment.
- (14) The licensee has failed to pay license fees within sixty (60) days of the date the fees are due. Licensee must pay any outstanding fees and delinquent fees in total. Failure to do so within sixty (60) days of the due date may result in revocation of the license. A revocation for this reason, however, is not considered a revocation resulting from misconduct or unfitness of the

licensee, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. Therefore, the requirement of section 310.02 prohibiting re-application within one (1) year of revocation shall not apply to revocations under this paragraph.

The terms "licensee" or "applicant" for the purpose of this section means and includes any person who has any interest, whether as a holder of more than five (5) percent of the stock of a corporation, as a partner, or otherwise, in the premises or in the business or activity which are licensed or proposed to be licensed.

With respect to any license for activities entitled to the protection of the First Amendment, notwithstanding the foregoing provisions, neither the lack of good moral character or fitness of the licensee or applicant nor the content of the protected speech or matter must be the basis for adverse action against the license or application.

- (c) *Imposition of reasonable conditions and/or restrictions.* When a reasonable basis is found to impose reasonable conditions and/or restrictions upon a license issued or held under these chapters, any one (1) or more such reasonable conditions and/or restrictions may be imposed upon such license for the purpose of promoting public health, safety and welfare, of advancing the public peace and the elimination of conditions or actions that constitute a nuisance or a detriment to the peaceful enjoyment of urban life, or promoting security and safety in nearby neighborhoods. Such reasonable conditions and/or restrictions may include or pertain to, but are not limited to:
- (1) A limitation on the hours of operation of the licensed business or establishment, or on particular types of activities conducted in or on said business or establishment;
 - (2) A limitation or restriction as to the location within the licensed business or establishment where particular type of activities may be conducted;
 - (3) A limitation as to the means of ingress or egress from the licensed establishment or its parking lot or immediately adjacent area;
 - (4) A requirement to provide off-street parking in excess of other requirements of law;
 - (5) A limitation on the manner and means of advertising the operation or merchandise of the licensed establishment;
 - (6) Any other reasonable condition or restriction limiting the operation of the licensed business or establishment to ensure that the business or establishment will harmonize with the character of the area in which it is located, or to prevent the development or continuation of a nuisance.

The director may recommend the imposition of such reasonable conditions and/or restrictions as an adverse action against the license or licenses. The council may impose such conditions with the consent of the license holder, as an adverse action against the license or licenses following notice and hearing as may be required. Such conditions may be imposed on a license or licenses upon issuance or renewal thereof, or upon and as part of any adverse action against a license or licenses, including suspension. Conditions imposed on a license or licenses will remain on such licenses when renewed and must continue thereafter until removed by the council.

- (d) Restrictions on intoxicating liquor, nonintoxicating and malt liquor licenses. When a reasonable basis is found by the council to impose restrictions or conditions upon an intoxicating liquor license held under this chapter, the council, upon issuing a new license or renewing a license or approving a transfer of a license, may impose reasonable conditions and restrictions pertaining to the manner and circumstances in which the business to preserve the public peace and protect and promote good order and security. These reasonable conditions or restrictions may pertain to:
 - (1) The hours when intoxicating liquor may be sold and/or consumed on the licensed premises;
 - (2) The exact location within a building where intoxicating liquor will be served and/or sold and/or consumed;
 - (3) The means of ingress to or egress from the licensed establishment;
 - (4) A requirement that certain off-street parking facilities be provided;
 - (5) A condition that the license will be in effect only so long as the establishment remains a drugstore, restaurant or hotel as defined by the state liquor act or regulations adopted pursuant thereto;
 - (6) The means and methods of advertising the sale of intoxicating liquor on the building and/or on the premises adjacent thereto;
 - (7) Reasonable conditions limiting the operation of the licensed premises so as to ensure that the licensed business will comport with the character of the district in which it is located and/or to the end that nuisances will be prevented; and
 - (8) Additional conditions upon hotels and restaurants which may in the discretion of the council tend to ensure that the sale of liquor will take place only in conjunction with the sale and service of food.
- (e) *Standards for multiple license determination.* In any case in which the council is authorized to take adverse action against less than all of the licenses held by a licensee, or applied for by an applicant, the following standards may be used:
 - (1) The nature and gravity of the grounds found by the council to exist upon which the adverse action would be based;
 - (2)

The policy and/or regulatory goals for the particular licenses involved, either as embodied in the Legislative Code or as found and determined by the council;

- (3) The interrelationship of the licenses and their relative importance to the overall business enterprise of the licensee or applicant;
- (4) The management practices of the licensee or applicant with respect to each of such licenses;
- (5) The extent to which adverse action against less than all of the licenses or applications would result in difficulty in enforcing and monitoring the adverse action taken;
- (6) The hardship to the licensee or applicant that would be caused by applying adverse action to all licenses or applications; and
- (7) The hardship and/or danger to the public, or to the public health and welfare, that would result from adverse action against less than all of the licenses or applications.

(Ord 22-46, § 5, 11-9-22)

- (b) A short-term rental platform license and short-term rental host license shall expire one (1) year from the date the license is issued and must be renewed annually.
- (c) Short-term rental platform licenses and short-term rental host licenses are non-transferable.
