To The City Council

Minnesoa

RECEIVED

CITY CLERK

RE: File Number RLH VO 11-34 property at 1132 Central Ave W

The applicant appeared before the City Council on August 17, 2011. The copy of the city council resolution is attached herewith for reference.

The applicant was refused any inspection by the Department of Safety and Inspection until Code Compliance inspection fee is paid by the applicant first and the code compliance inspection is completed.

On August 31 2011 Ms Mai Vang at the request of the applicant emailed to all in the event they were not aware of the city council resolutuin RLH VO 11-34.

The licensed electric contractor of the applicant pulled permit around May ,2011 and completed a walk thru check up 9/9/11 and found all electrical system upto code. The electrician then called the electrical inspector for a sign off inspection. The electric contractor informed applicant on 9/13/2011 that the department of inspection denied his sign off inspection request because applicant had not yet paid \$447 for code compliance inspection fee to be followed by the code compliance inspection itself by a team.

It is beyond the applicant's control if the Department of Safety and inspection disregards the City Council's resolution RLH VO 11-34 .

Applicant respectfully submits for an extention of time and for an order compelling the Department of Safety ^{to} obey City council resolution RLH VO 11-34 .

Respectfully yours,

Mohammed Shahidullah
