Good afternoon,

An update, the Legislative Hearing officer spoke to Councilmember Bowie and she's comfortable relying on the written record to make her decision. You're welcome to submit a statement ASAP before 3:30 if you wish to. The Council Public Hearing won't be continued.

Thanks,
Joanna

Good morning,

Just a note to update you, I don't have an answer as to how this will be handled, and won't until after the Councilmember discusses it with the Legislative Hearing officer. This is discretionary on the part of the Council. I will let you know as soon as I can.

Thanks,
Joanna

Good morning,

Your item was reviewed at the Legislative Hearing on March 19, and your statement

read into the record. As your billing year goes from May 19, 2023 through May 18, 2024, you're already 10 months into the billable year, so Ms. Moermond's recommendation is that this assessment be approved.

It was also noted that you haven't done a Code Compliance Inspection yet for the property in order to pull permits, so I wanted to note that for you. The Code Compliance form can be found online here:

<https://www.stpaul.gov/departments/safety-inspections/vacant-buildings>. Please contact the Department of Safety and Inspections directly at 651-266-8989 for questions regarding the application or payment process. **Please include the lock box code in your Code Compliance Application.**

This matter will go before the City Council at Public Hearing on **Wednesday, April 3, 2024 at 3:30 pm. in room 300 City Hall**. If you are contesting Ms. Moermond's recommendation you may:

1. appear in person (please arrive before 3:30 p.m. and check in with staff outside Council chambers when you arrive); or
2. **Should you wish to address Council directly but not appear in person, you must register by noon on Tuesday, April 2, 2024 here to testify via phone:**

<https://www.stpaul.gov/departments/city-council/city-council-public-hearing-live-testimony>.

Additionally, here is a link to your file online: [Gateway \(legistar.com\)](#) (note that if it says 'unavailable' it means staff is working on the file and it is offline, so please try back later). Minutes are typically done by early next week.

Thank you,
Joanna

Hello Hearing Representatives,

Here is my statement for today's session:

Hello, and thank you for allowing me to write this statement to share with you today. I apologize I am not able to be there in person as I am traveling out of state today.

St. Paul is a great community and has so much to offer. I am looking to my local representatives officials and departments for assistance as a hard-working individual trying to create additional affordable housing in St. Paul. I've run into many challenges over the past few years, including finding contractors to perform work and updates to my property.

As a property owner, it is very challenging to not have a house rented.

My request today is to allow me to come in and meet with the appropriate representatives/ departments from the city building inspections, any grants to assist landlords and create a plan together and a timeline to meet all codes and requirements. if you could refer this matter to the appropriate departments within the city, you have my commitment for me to meet with them and create this plan over the next 30 days.

Hi am doing my best to try to create additional available housing in St. Paul by having the city impose. A large vacant building fine on me would not be in any of our best interests. Please help me help the citizens of Saint Paul, with suspending any fines until we've had an opportunity to sit down and create a plan to move forward.

I'm looking to you to my local representation and government to work with me to continue to make Saint Paul a great place to work and play.

Thank you for your time and consideration.

Mr. Symicek,

Our policy is to reschedule no more than two times, plus this was already referred back from the City Council once. I spoke with the hearing coordinator and we will not be rescheduling again.

You can choose to participate tomorrow, or you're welcome to send in a written statement for tomorrow that will be put on the record, and a recommendation given.

Thanks,
Joanna
