## Fiscal Analysis

Technical amendment to correct the 2007 Western District Police Station project to establish additional spending and financing budget authority. Resolution will also re-establish budget authority for a transfer of unused underwriter's discount from the general debt service fund into the Western District Police Station project. This transfer was established in the 2010 budget, but the transfer did not occur as planned. 2011 budget authority must be established in order for the transfer to correctly occur in 2011. Once these changes are made, the project budget can be fully closed out.
