appealing reasons: Stld by a previous police officer when our license plate tabs were cut off of our car that as long as our cars were on our property we did not need to have tabs. (We buy our tabs every year but do not put them on our vehicle because thieves steal them and cut the license plate off where tabs are. (2nd) my husband has 4 herniated discs in his back so he can't work on the flat tires on the car. Thank You,
