Ashley and Jeff,

My family lives at 1808 Stanford Avenue and Alissa and I support the Groveland Tap getting a full liquor license and adding pull tabs. The Groveland tap has been an excellent run neighborhood spot with top quality ownership and operations since 1998. Thank you.

Ashley/Jeff,

I am writing in support of the Groveland Tap receiving their full liquor license as well as Pull tab licensing. I live on 1949 Wellesley a couple blocks from the Groveland tap. The Groveland tap has been a great gathering spot for our community. They have also invested a lot of time and money into the restaurant to keep serving the residents of Highland Mac Groveland. I believe they deserve to have their liquor license and pull tab license signed and approved.

Thanks for your time on this matter.

Dear,

City of St. Paul, as a lifelong resident of St. Paul, I'm writing in support of the Groveland Tap's request for a full liquor license and charitable gambling, with the proceeds going to the St. Paul Capitals hockey association. The Groveland Tap has been an amazing business ambassador to the neighborhood, local parish, and the city of St. Paul. As a parent of girls who attend Nativity, the owners have always been supportive of our community, and it is my girls' favorite place to go out for dinner. They have proven to be a responsible organization, always respecting the community and a wonderful family establishment.

The restaurant industry has faced significant challenges over the past five years, and the Groveland Tap has survived. Let's approve this license and provide them the opportunity to compete and be successful.

Hi there,

I'd like to express my support for Groveland Tap's licensing application. Groveland Tap has been an institution in the neighborhood for decades, and we need them! I have moved in and out of Saint Paul over the past decade+ and I have always loved Groveland Tap, and now that I am here for good, I am thrilled to be so close. (My address is 2150 Goodrich Ave, St Paul, MN 55105.)

To be honest, I didn't even know that Groveland Tap did not *already* have a full liquor license - it is very logical and I have no concerns about their ability to manage it safely and responsibly. I also think pull tabs (though I don't partake myself) are a fun way to raise money for community causes. Anyone who thinks that these and other minor changes will harm the neighborhood is mistaken - we need vibrant businesses to thrive, and the Tap is one of a kind in the neighborhood.

Thank you for your time and your work on behalf of Saint Paul,
Karin Haas

Hello,

I am writing in support of Groveland Tap's desire to expand hours and liquor license. My family lives nearby at 1992 Jefferson Avenue and we regularly frequent this establishment. We would like to be able to walk to a restaurant/bar that is open later in the evening. Currently, we have to travel to restaurants/bars that do not cater to people above 30 years of age, or we have to travel outside of the neighborhood. Please approve this application and let's not keep Saint Paul boring.

Best Regards,

Paul Fiesel
