Subject: Hamline Park Rezoning

To the Zoning Committee of the Saint Paul Planning Commission:

At its meeting on January 15, the Hamline Midway Coalition (District Council 11) Board of Directors voted unanimously to support the rezoning of Hamline Park (1564 Lafond Avenue) from R4 One-Family Residential to T2 Traditional Neighborhood.

HMC fully supports Mosaic on a Stick's application and proposed use of the Hamline Park Building. Furthermore, HMC believes that Traditional Neighborhood zoning is entirely appropriate for this site in the long-term.

Thank you for your consideration.
