VACANT BUILDING REGISTRATION FEE WARNING LETTER

The Saint Paul City Council has adopted legislation which requires owners of vacant buildings to pay an annual fee and submit a registration plan on the form(s) enclosed with this letter. The annual fee is **\$2,085.00**. The purpose of this fee is to partially reimburse the City for administrative costs for registering and processing the Vacant Building Owner Registration forms and for the cost of monitoring these properties for compliance with Saint Paul Legislative Codes.

The fee for the vacant building located at 1104 COOK AVE E is now past due. You have fifteen (15) days from the date of this letter to pay this bill before this fee is sent to assessment, to be collected with your property taxes.

DO NOT MAIL CASH

Saint Paul Legislative Code, Chapter 43, requires this fee be paid no later than thirty (30) days after the building becomes vacant, and if not paid, the owner shall be subject to collections and prosecution as prescribed in the Legislative Code. Also, if at any time the registration fee is unpaid and owing, building permits will be denied for this building.

The full amount owed will be assessed to, and collected with, the taxes for this property as permitted by Saint Paul Legislative Code Chapter 43.

The owner(s) still will be subject to a criminal Summons and Complaint for failure to pay this vacant building registration fee. This citation will necessitate a court appearance in Ramsey County District Court and the owner(s) will be subject to penalties provided for by law. The enclosed registration form must accompany the fee payment.

If you wish to pay in person, you may do so from 8:00am to 4:00pm Monday through Friday at:

DEPARTMENT OF SAFETY AND INSPECTIONS
375 Jackson Street, Suite 220
Saint Paul, MN 55101-1806

All category 2 and category 3 vacant buildings must be winterized with gas and water services shut off or, alternately, an excess flow gas valve must be installed in the dwelling, within sixty (60) days of the date of this notice.

WRITTEN PERMISSION FROM THE CITY OF SAINT PAUL IS REQUIRED BEFORE A CATEGORY 2 OR CATEGORY 3 VACANT BUILDING CAN BE OCCUPIED OR SOLD.

Category 2: Requirements include: 1. register/re-register the building, 2. pay outstanding fee(s), 3. obtain a code compliance report, 4. submit for approval a rehab cost estimate from a licensed contractor and a schedule for completion of all code compliance work, 5. submit proof of financial responsibility acceptable to the City, and 6. obtain Zoning approval of the proposed use.

Category 3: All requirements listed for Category 2 vacant buildings, AND obtain a **Certificate of Occupancy OR Certificate of Code Compliance** prior to the sale of the building.

If the use of this building meets the definition of a nonconforming use by the Zoning Code, then the use will lose its nonconforming status 365 days from the date the building was declared vacant.

If you have questions about this registration fee or other vacant building requirements, please contact the Enforcement Officer, Tom Friel, at 651- 266- 1906.

WARNING Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection after the due date for compliance will be collected from the owner rather than being paid by the taxpayers of the city. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within such 12 months will be collected from the owner rather than being paid by the taxpayers of the city. Any such future costs will be collected by assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
