Sounds good. How in depth do you want me to get with the descriptions? The basic summary is that Waste Management requested that we remove the assessment when it was discovered that the resident has already paid them the Quarter three bill. Apparently the residents who purchased the property in May 2019 mistakenly told Waste Management they lived at 830 Fairmount Ave instead of 828 Fairmount Ave. Therefore a new account was set up for the wrong address. The payment of \$124.24 that was made on 07/08 was therefore made to the wrong account and has since been moved to the account for 828 Fairmount Ave.

I have attached the e-mail that should be the attachment for the 828 Fairmount legistar file.

Thank you!

I need a reason for the deletion. There is no attachment and no reason on the comment. Marcia would want to see that.
