This letter is in
reference to raising
the Claim Permits of the
City of St Paul can find
another way to charge the
Taxpayer the Home Owner for
something they will. The problem
is the City of St Paul over spends
one of examples is the Palace
Theater which cost over 15 million.
We need ^{to vote} an officials who care's
about the best interest of the
Taxpayer & not ~~the~~ ^{their} own agenda.
"As against" Rose Dangle
the increase!!
