

SUBJECT

BOARD RESOLUTION NO. 21-1489

Pertaining to a Small Utility Enterprise Agreement with Environmental Systems Research Institute, Inc. to provide geographic information software and services.

BACKGROUND INFORMATION

Staff is seeking approval to enter into a professional services agreement with Environmental Systems Research Institute, Inc. to provide geographic information software and services. The term of the agreement is 3 years at a cost of \$50,000 each year.

The benefits of entering into this agreement include:

1. A lower cost per unit for licensed software.
2. Reduced administrative and procurement expenses.
3. Complete flexibility to deploy software products when and where needed.
4. Consistent support and maintenance throughout the term of the agreement.

See attached Agreement and Quotation.

RECOMMENDATION

Board approval is recommended.
