Ross,

I have just recently approved the building on 4/19/21, everything is ok now for fire C of O on this. There was an existing spray booth that they serviced and that was approved as part of the inspection as well, so they would be ok from us for the addition of auto body work.

Thanks,

Mitch Imbertson

Mitch,

Can you tell me the status of the C of O at 45 Empire Drive? They are adding an Autobody repair/Painting Shop license and I want to make sure that the building is ok for that.

Thank you,
Ross
