06/26/2007	<a href="#">07_104536</a>	Closed	LC - DSI Env Health Complaint - Health-Safety-Environment	Dumpster - For the past 2 years the Grampa Tony's alley dumpster has been a catalyst for neighborhood issues given its lack of maintenance, graffiti, and most importantly the smell. I'm not certain if there are any codes outlining dumpster maintenance, but if something isn't corrected I think we're heading down the path of a Public Nuisance issue. There are tons of dumpsters throughout Ward 3 and we don't receive complaints about their maintenance. With a Little Caesar's moving in down the block, this has heightened the concern of neighbors. 2) BFI Early AM Operations - BFI's trucks have been out in Highland emptying dumpsters as early as 5:40am. Coincidentally, the Grampa Tony's dumpster was one of them.
