This Easement Agreement (“Agreement” or “Easement Agreement”) is entered into between the Ramsey County Regional Railroad Authority (“RCRRA” or “Grantor”), a political subdivision of the State of Minnesota, and the City of Saint Paul, a Minnesota municipal corporation (“City” or “Grantee”), as of the ____ day of _____, 2023.

RECITALS

- A. RCRRA is the fee owner of those certain parcels of land located in the City of Saint Paul, County of Ramsey, State of Minnesota, together with adjacent real property of RCRRA that is improved as a multi-modal transit and transportation facility commonly known as Union Depot, which includes a building and other improvements providing facilities for transportation services and parking (collectively “Union Depot”). Union Depot is located on the RCRRA Property (as hereinafter defined).
- B. That part of the RCRRA Property on which the Permanent Easement and Temporary Easement (as defined in Article 1 of this Agreement) will be located, is currently improved with a bituminous surface parking lot, along with fencing, pylon sign, directional signage, payment machines, control arms, bicycle parking, bollards and lighted bollards, lighting, security cameras, utility control box, irrigation system, landscaping, emergency call boxes, and other improvements. The surface parking areas are revenue-generating public parking facilities for contract and event parking.
- C. The City owns and maintains bridges and abutments for Minnesota Bridge Numbers 62080 and 62080A, together commonly known as the Kellogg/3rd Street Bridge (the “Bridge”), along with the property on which they are situated, and the street and street right-of-way, commonly known as Kellogg Boulevard East. Kellogg Boulevard East is adjacent to a part of the RCRRA Property, both of which are generally depicted on **Exhibit B**.
- D. The City also holds a permanent bridge and highway easement over part of the RCRRA Property, which was acquired by the City from RCRRA’s predecessor in interest (the “Existing Easement”). The Existing Easement is adjacent to the Permanent Easement and Temporary Easement (as such terms are hereinafter defined). The Existing Easement is shown on the Project Specifications & Site Plan that is attached hereto as **Exhibit E**(the “Project Specifications & Site Plan”). The Existing Easement is on record in the Office of the Ramsey County Recorder as Document No. 2080644, dated June 3, 1980.
- E. RCRRA has installed various improvements within the Existing Easement, including an irrigation system, sidewalk, trees and lighted bollards.
- F. The City is undertaking City Project No. _____, which includes removing and replacing the Bridge, and other related activities (the “Project”).

- G. In connection with the Project, RCRRA and City desire and intend that RCRRA, as Grantor, grant to the City, as Grantee, a permanent easement on, over, under, and across a portion of the RCRRA Property to enable City to construct the Project and to have, maintain, repair, and replace the Bridge.
- H. RCRRA and the City also desire and intend that RCRRA grant to the City a temporary easement over and across a portion of the RCRRA Property for staging, storage, and access purposes for the work to complete the Project.

NOW, THEREFORE, in consideration of the foregoing Recitals, the mutual promises and covenants below, and other good and valuable consideration, RCRRA and City agree as follows:

Grantor makes no promises or warranties of any kind whatsoever regarding the title or condition of the Permanent Easement Area or the Temporary Easement Area. In connection with this Agreement and the Permanent Easement and the Temporary Easement granted by it, Grantor will not be obligated to undertake any improvements or make any repairs to the RCRRA Property, nor will this Agreement be interpreted to cause Grantor to have any obligation to Grantee whatsoever for the care or condition of the RCRRA Property during the term of this Agreement.

ARTICLE 8 ALTERATIONS

Section 8.1 Except as shown or stated in the Project plans and specifications set forth in **Exhibit E**, Grantee may not make any alterations or changes to the Permanent Easement Area or the Temporary Easement Area without the express written consent of Grantor. Grantee will not commence work in any form on or at the Permanent Easement Area or the Temporary Easement Area for the Project until Grantee, or any contractor performing work on behalf of Grantee, has obtained and filed an acceptable certificate of insurance, or evidence of adequate self-insurance, with Grantor.

All Certificates of Insurance will provide that the insurer give Grantor prior written notice of cancellation or non-renewal of the policy as required by the policy provisions of Minnesota Statutes, Chapter 60A, as applicable. Further, all Certificates of Insurance must provide Grantor 10-day notice of cancellation due to non-payment of premium.

Section 11.3 Indemnification.

- A. With respect to (i) the occupation of the Permanent Easement Area and the Temporary Easement Area; (ii) the Project; and (iii) any construction, maintenance, repair, or subsequent reconstruction relating to the Project, Grantee will, and will cause its contractors to, indemnify, hold harmless, and defend Grantor and Ramsey County, their respective officials, agents, and employees against any and all liability, losses, costs, damages, expenses, claims, or actions, including attorney's and expert witness's fees, which Grantor, Ramsey County, their respective officials, agents, or employees may sustain, incur, or be required to pay, arising out of or by reason of any act or omission of Grantee, its contractors, officials, agents, or employees, in the execution, performance, or failure to adequately perform the Grantee's obligations pursuant to this Agreement with respect to the Project.

**ARTICLE 12
DAMAGE OR DESTRUCTION**

In the event the Permanent Easement Area or Temporary Easement Area is damaged, or there is any casualty as to make either Area impracticable or unsuitable for Grantee's use as provided in this Agreement, this Agreement (and the easements) may be terminated at the option of either party upon written notice to the other; provided however, that if Grantee elects not to proceed with the Project but the use of either the Permanent Easement Area or Temporary Easement Area continues, the parties will in good faith enter into an appropriate amendment to this Agreement. In no case will Grantor be required to restore any part of the Permanent Easement Area, the Temporary Easement Area, or any part of the RCRRA Property, to a condition suitable for Grantee's continued use for the purposes for which the Permanent and Temporary Easements are granted, though Grantor may do so if it so elects at its sole discretion.

**ARTICLE 13
HAZARDOUS SUBSTANCES**

In connection with the exercise of its rights under this Agreement, except for hazardous substances that are typically used in projects similar to the Project, Grantee will take all reasonable measures to prevent leaks and spills, and will not permit or conduct the generation, treatment, storage, or disposal on, in, or about the Permanent Easement Area or the Temporary Easement Area or any other of the RCRRA Property, of any Hazardous Substances without prior written consent of RCRRA. ARTICLE 14 SIGNS

Grantee will not have the right to place, construct, or maintain any sign, advertisement, banner, or other marking of any kind upon or about the Permanent Easement Area or the Temporary Easement Area or the RCRRA Property, except such safety markers as required by law or as agreed to in advance in writing by Grantor, and except as shown **Exhibit E**, or as are customary and reasonable during construction of the Project and maintenance, repair, or access to the Project. During the Construction Period, at Grantee's sole cost and expense, Grantee must install or place directional signs to assist the public in locating parking on the RCRRA Property; the appearance and location of such directional signs must be approved by RCRRA.

ARTICLE 15 TERMINATION

Grantor may terminate the Temporary Easement in its sole and absolute discretion with cause and upon any of the following, upon one hundred eighty (180) days written notice to Grantee, without limiting Grantor in the exercise of any right or remedy at law or in equity which Grantor may have by reason of a default or breach of this Agreement by Grantee:

- A. Grantee's discontinuance of the use of the Permanent Easement Area or the Temporary Easement Area, or if the Permanent Easement Area or the Temporary Easement Area is not used for the purposes of this Agreement.
- B. Upon a failure by Grantee to observe and perform any other provision of this Agreement to be observed or performed by Grantee, Grantee will be in default and Grantor will have the right to terminate the Temporary upon one hundred eighty (180) days' written notice unless during that 180-day time period (i) Grantee commences to cure the default to the satisfaction of Grantor and thereafter diligently prosecutes the same to completion, or (ii) Grantee notifies Grantor in writing that it disputes whether there is a default, in which event, Grantor and Grantee will in good faith commence alternative dispute resolution through negotiation and mediation, and if the matter is not resolved within one hundred eighty 180 days of the notice of default from Grantor to Grantee, either party commence a court action to address the default, including seeking judicial relief at law or in equity. In no event will Grantor terminate the Permanent Easement as provided above unless at the end of the 180-day notice period, it provides written notice of termination to Grantee in the manner provided in Section 16.3 below ("Notice of Termination"), and Grantee does not, within thirty (30) days after the date the Notice of Termination is deemed received (as provided in Section 16.3), provide written notice to Grantor stating that Grantor objects to the termination.

C. Upon termination of the Temporary Easement, Grantee must quit and vacate the Temporary Easement Area; remove Grantee’s equipment and other property from the Temporary Easement Area; and restore the Temporary Easement Area to the reasonable satisfaction of Ramsey County. If Grantee fails to complete removal and restoration prior to the effective date of the termination of the Temporary Easement, RCRRA may remove or otherwise dispose of Grantee’s equipment or other property as RCRRA sees fit, and at the expense of the Grantee, without any liability to the Grantee for damages.

If any provision or term of this Agreement for any reason is declared invalid, illegal, or unenforceable, such decision will not affect the validity of any remaining provisions, provided that: (i) each party receives the substantial benefit of its bargain with respect to the transaction completed by this Agreement; and (ii) the ineffectiveness of such provision would not result in such a material change as to cause completion of the transactions contemplated by this Agreement to be unreasonable for either party. The remaining provisions will remain in full force and effect as if this Agreement had been executed with the invalid portion eliminated, and the parties declare that it is their intention that they would have executed the remaining portions of this Agreement without including any such part or portion which may be declared invalid.
