RE: Arts and Cultural Heritage Fund Grant

Dear Ms. Messer:

Ramsey County is pleased that an appropriation from the Arts and Cultural Heritage Legacy Fund has been granted for the purpose of developing public takraw courts within the city of St. Paul and Ramsey County. This park amenity will add to the validation that all community members are valuable and can thrive in their community.

Ramsey County is supportive of St. Paul Parks and Recreation taking the lead on the utilization of the grant for courts within the St. Paul parks system. Ramsey County understands that the project, along with the operation and maintenance of the courts, will be the total responsibility of St. Paul Parks and Recreation.

Sincerely,

A handwritten signature in blue ink that reads "Jon Oyanagi".

Jon Oyanagi  
Ramsey County Director of Parks and Recreation
